

**La Porte County Master Gardener Association
2027 Spring Garden Show
Advertising Request**

The La Porte County Master Gardener Association will be presenting its 2027 Spring Garden Show **“Every Garden Can Make A Difference”** at the Michigan City (Indiana) High School on Saturday, April 3, 2027. We expect 500-1,000 visitors. More than half of American households participate in some form of gardening. The 2027 Garden Show is a fantastic opportunity to showcase your garden related business to our Garden Show guests.

We will be creating a Program Guide to be handed to each Garden Show attendee. Advertising in the Program Guide will bring your name and message before 500+ La Porte area gardeners.
