

La Porte County Master Gardener Association
2027 Spring Garden Show
Donation Form for In-Kind Donations

The La Porte County Master Gardener Association will be presenting its 2027 Spring Garden Show **“Every Garden Can Make A Difference”** at the Michigan City (Indiana) High School on Saturday, April 3, 2027. We expect 500-1,000 visitors. More than half of American households participate in some form of gardening. The 2027 Garden Show is a fantastic opportunity to showcase your business to our Garden Show guests.

The La Porte County Master Gardeners have been serving La Porte County for thirty years. In 2025, our volunteers contributed 2,500 hours of service across La Porte County, and we were honored to host a free presentation by renowned author and educator, Dr. Doug Tallamy, with over 500 attendees. Each year we create the Pioneer Heritage Garden and host school tours at the La Porte County Fairgrounds, and we share our expertise free to La Porte County home gardeners with many other projects and presentations. Master Gardener service projects rely on support and donations from the community that allow us to provide ongoing educational events and gardening-related information and instruction.
