

Request for 2027 Spring Garden Show Sponsors

The La Porte County Master Gardener Association will be presenting its 2027 Spring Garden Show **“Every Garden Can Make A Difference”** at the Michigan City (Indiana) High School on Saturday, April 3, 2027. We expect 500-1,000 visitors. This email is to request for your company to sponsor the Garden Show with a donation of \$1,000, \$750, or \$500.

The La Porte County Master Gardener Association has been educating and serving La Porte County for thirty years. In 2025, our volunteers contributed 2,500 hours of service across La Porte County, and in 2026 we were honored to host a free presentation by renowned author and educator, Dr. Doug Tallamy for over 500 attendees. Each year we maintain the Pioneer Heritage Garden and host school tours at the La Porte County Fairgrounds, and we share our expertise through workshops and projects at no cost to home gardeners across La Porte County. We also proudly award community grants to organizations so they can provide education and/or beautify their spaces.

More than half of American households participate in some form of gardening. The 2027 Garden Show is a fantastic opportunity to showcase your business to our Garden Show guests.

Garden Show Sponsorship Recognition, Visibility and Benefits

Thank you for being a Garden Show Sponsor! The La Porte County Master Gardener Association is a nonprofit, 501(c)(3) organization affiliated with the Purdue University Extension. The tax-deductible portion of a sponsorship, if any, is limited to the amount by which the sponsorship exceeds the fair market value of the benefits received. An acknowledgment letter will be provided following receipt of your sponsorship. Your sponsorship allows us to provide ongoing educational programs and gardening-related project support throughout La Porte County. Thank you!
